EDUCATION AND CERTIFICATIONS

Columbia Graduate School of Journalism, New York, NY • Lede Program in Data Journalism 06/2023 - 08/2023

- Learned how to create data-driven stories from start to finish: ideation, storyboarding, data collection, cleaning, and analysis, creative visualizations and storytelling
- Created [story](#) about gendered verb usage using spaCy natural language processing tool. Analyzed data using Python/Pandas and produced graphs using DataWrapper and Adobe Illustrator
- Classes included: mapping using MapBox and QGIS, machine learning/Hugging Face, how to conduct a FOIA request, how to create interactive graphics using JavaScript, D3, and Svelte, browser automation with Selenium, creating a scrollytelling story with Scrollama, data analysis with Python/Pandas, building graphs with DataWrapper and Flourish, making responsive graphics with Adobe Illustrator, and more

St. Olaf College, Northfield, MN • B.A. in English and medieval studies (3.97 GPA) 09/2018 - 05/2022

- Relevant Courses: Introduction to Data Science, Statistics for Science, Statistical Modeling, Introduction to Computer Science, Creative Nonfiction Writing

EXPERIENCE

Business Application Consultant • Solifi, Minneapolis, MN 06/2022 - 06/2023

- Wrote reports using SQL. Designed and led training on SQL, Unidata, and Pentaho for new members of the report writing team
- Implemented software for customers: collected customer software requirements, did research to solve issues, and led training on how to use the software

Arts & Entertainment Editor/Copy Editor • Olaf Messenger, Northfield, MN 01/2019 - 05/2021

- Managed a team of writers throughout their creative process from pitch selection to final edits to promote quality and diversity of content of St. Olaf's only student-run newspaper each week
- Copyedited 10 articles a week using AP style for a clear, concise, and accurate student newspaper

Research Intern • Western Iowa Journalism Foundation, Ames, IA 01/2021 - 02/2021

- Collected data about journalism in Iowa through researching records and interviewing journalists
- Analyzed and produced a report tracking local journalism's decline in Iowa and possible solutions

Summer Intern • Crookston Daily Times, Crookston, MN 06/2017 - 08/2019

- Reported on Crookston, MN, covering stories on community events and local businesses every day
- Built source relationships with community members, politicians and public figures, conducting 5-10 interviews every week
- Pitched, reported and wrote 3-5 stories weekly, and collaborated with editorial staff to design pages, edit copy, and shoot and edit photos
